

Martha Holden had an affair with a man named Hunter Gillian; son of Dennis Gillian- the mafia god who was after Peter Baker. Martha soon discovered she was pregnant and Hunter moved away, along with Dennis. Taking a DNA test, she was pleased to find out the father of her baby was Jack Holden. Meanwhile, a visitor arrived on Sally's doorstep, a lady in her fifties called Gloria Keating- Sally's birth mum who had supposedly died in an accident. Filling Sally in on all the missing details, slowly Sally accepted her back into her life. Though like every true newcomer to the Bay, everybody has a secret.

PRESENT

Over the last two weeks, the Fletcher's and Stewarts have noticed they've been stalked by an unknown person. Just the other night, their cars were bombed, leaving them with no vehicles to get around in. Today, Jack and Alf went down to the police station after discovering DNA was found on the cars. While they disappeared, Martha's water broke. With Alf and Jack's telephones off, Ric and Cassie leave the house to find Jack and Alf. With no vehicles, Martha, Sally and Gloria are waiting for an ambulance and enter Sally's bedroom after seeing Cassie and Ric off.

1. SALLY

You're burning up.

2. GLORIA

She'll be fine. Won't you love?

MARTHA smiles while breathing heavily. GLORIA wipes the sweat off MARTHA'S face.

3. GLORIA

Sally, could you go downstairs and get me some ice, while I'll get some towels from the bathroom?

4. SALLY

Okay. I'll be out in a second.

SALLY holds MARTHA'S hand as GLORIA walks out.

SALLY notices GLORIA walking back with some towels. SALLY'S smile turns to fear, now showing her true emotions about the danger MARTHA is in.

**1. SALLY**

What if the ambulance doesn't get here in time? Would you know what to do?

**2. GLORIA**

Trust me darling, I know exactly what to do.

GLORIA releases a smirk as she quickly moves closer to SALLY and stabs her in the back. SALLY slowly drops to the floor, gasping for air as GLORIA reveals a bloody knife, hidden from underneath the towels. She drops the knife and walks back into the bedroom.

Oh, she decided to go find Jack and Alf with the others. But don't worry, you still have me here.

GLORIA turns away, MARTHA gathers a confused look

**4. MARTHA**

What if the ambulance doesn't get here in time?

**5. GLORIA**

Martha, it wouldn't come to that. Dennis should be here. [beat] Any second now.

MARTHA stops breathing heavily for a second and looks at GLORIA who slyly smiles back at her.

**MARTHA, GLORIA (G)**

**1. MARTHA**

What do you mean Dennis? What's going on!?

**2. GLORIA**

Well where to begin? (beat) How about Hunter Gillian?

GLORIA smiles as she touches MARTHA'S belly, MARTHA begins to panic.

**3. MARTHA**

What about Hunter!?

**4. GLORIA**

After all, this is his baby. (beat) Did you really believe that Jack was the father? Just because you took a measly DNA test?

**5. MARTHA**

What are you talking about? What's going on!?

**6. GLORIA**

The DNA test you took. (beat) Dennis manipulated and paid the lab a large sum of money to forge those results, to make you believe the baby was Jack's.

**7. MARTHA**

You're lying! Where's Sally?

**8. GLORIA**

Your family have been so generous taking me in, I can't thank you enough. We have big plans for this town, you know.

**9. MARTHA**

What?

**10. GLORIA**

My buying the caravan park, buying the overall share at the surf club. Big plans for this town Martha. And big plans for your baby.

**11. MARTHA**

I don't believe this. We trusted you!

**12. GLORIA**

Wouldn't you be a bit curious to how I fall into all of this? (beat) I'm Dennis' sister, Hunter's aunt! And once you deliver this baby, your life is going to dramatically change right before your very eyes.

MARTHA is lost for words, as she slides away from GLORIA

**13. MARTHA**

Hell has to freeze over before you get your hands on my baby, lady!

**14. GLORIA**

Well get ready for the ice age, honey. Because life as you know it is about to freeze over.

MARTHA gets a strong contraction GLORIA gets up and moves towards the door, then closes it.

**15. GLORIA**

Just breathe Martha. And push!
